## Persil Professional Hygiene

### Eliminates 99.99% of bacteria including MRSA

#### *Product description*

Persil Hygiene has been extensively tested and is effective against harmful bacteria strains including MRSA. This is great news for laundries that may suffer from infection outbreaks and need additional hygiene assurance. Because it can be used at low temperatures, Persil Hygiene is also suitable for personal clothing and offers excellent cleaning results without compromising on hygiene.

#### *Features*

- Disinfects at 40C

#### *Benefits*

- Eliminates 99.99% of bacteria including MRSA
- Exceptional cleaning results at low temperatures

#### *Pro Formula*

Unilever and Diversey come together to give you Pro Formula, a complete range of ready to use professional cleaning products, paired with trusted Unilever brands. The range is specifically developed for your professional cleaning needs, and comes with free online cleaning & HACCP guides, helping you meet hygiene standards.
